

Welcome to **CAMPING on the GULF**

Thank you for choosing **CAMPING on the GULF**. We are sure that you will enjoy this part of the creation on one of the most beautiful beaches in the world. Whether you are staring at the horizon, listening to the surf or absorbing the sunshine and smelling the salt air, we hope that you will be refreshed by your stay here. We offer lots of family fun activities so look for them around the park, listed in the book, and on the weekly **Activity Schedule**.

The manager and his family would like to offer a special welcome to all our guests. The O'Neill's have been here managing the park since 1995. They are avid RVer's themselves. Welcome also from the owner of the park who has operated this property as an RV park for **40 years**.

CAMPING on the GULF offers a wide variety of amenities including: concrete pads, sewer hookups, water, electricity (30&50Amp), cable, clean bath houses including special needs bathrooms with tub for children, elderly and the handicapped, a covered heated pool in winter, solar heated pools in spring & fall, beach pavilion, activity center, store, gift shop, laundry facilities, phones, WiFi, LP gas, dump station, paved roads, security gate, and movie rentals. We are within walking distance to one of the largest designer outlet malls in the country, near many fine golf courses, and restaurants.

All of us here are concerned with the safety of all our guests. Please drive less than 5 miles per hour. Because we know it is hard to realize what this is like, we have 2 speed boards that show you your speed.

We would like to encourage you to patronize our **SUNNYBOOK** sponsors. They have been personally chosen by our campers, workers, and management. When you are visiting them please let them know that you are staying at **CAMPING on the GULF**.

We hope that everything is just what you expect. We are always improving the park for your benefit. If you have suggestions for future improvements, comments regarding your stay or commendations for staff, we ask that you fill out the comments page towards the back of this booklet and turn it in at the office or mail it in. Again, **welcome and happy camping!**
